RE: Monona Grove Soccer Club Use of MSB Greenspace

BACKGROUND:

Monona Grove Youth Soccer is looking to use the greenspace next to the Municipal Services Building for youth soccer practice. In doing so, they would like to place portable goals on site. Currently, this greenspace is not used for anything.

STAFF RECOMMENDATION:

Staff recommends allowing Monona Grove Youth Soccer Club to use the greenspace next to the Municipal Services Building and to allow the placement of temporary goals which are to be removed at the end of each season.

On July 18th, 2019, the Parks, Recreation & Forestry Committee voted 4-0-0 to allow MG Youth Soccer to use the greenspace to the west of the MSB for practice with the condition that the goals be removed when the spring and fall seasons are complete.
