Re: Staff working with Committee to develop a Sustainability Cottage Grove webpage and Social Media presence.

The Ad Hoc Sustainability Committee met on June 9, 2020 and discussed adding a sustainability page linked to the main Village of Cottage Grove website. This page would include information and resources related to sustainability and energy conservation. The Committee also discussed implementing a hashtag for committee members/residents to post examples of themselves and others helping the community become more sustainable. It was noted that staff is currently working on an update of the website.

A motion was approved 5-0-0 to have staff work with the Committee to develop a Sustainability page on the Village website.
