RE: **Village Website Redesign Update**

OVERVIEW/BACKGROUND

The redesign website team has been working with CivicPlus on the new design and we are at the point we can show the new homepage and discuss some of the features of the redesign.

The new design will feature the following changes:

- New modern design and color scheme
- Larger “Search” on the homepage
- New location and larger Graphic Buttons for example “Notify Me”, “Bill Pay” etc.
- Quick links to the department browsed the most- Recreation, Police, Public Works and Utilities
- New location for “News & Announcements” this was previous “News Flashes”
- Updated Calendars
- Larger live social media feed

The redesign team does have a little more work to be done, but it is anticipated that the new design will launch on October 12, 2020.
