2019 ANNUAL ACTIVITIES REPORT

*Prepared by:
Daniel Layber
Chief of Police*

A NOTE FROM CHIEF LAYBER

It is with a great deal of pride that I present to you the 2019 Village of Cottage Grove Police Department 5th Annual Activities Report. The report is a testament to the work being done by all of our police officers and support staff, which represents a compilation of statistical data and crime prevention programs that were a part of our on-going organizational mission of "Keeping Cottage Grove Safe" throughout 2019. Those efforts would not be possible without the dedicated support we are fortunate enough to enjoy from elected and appointed government officials, as well as the citizens we are proud to serve. Cottage Grove has a lot to be proud of and the police department staff is very experienced and motivated. In May of 2018 we were accredited by the Wisconsin Law Enforcement Accreditation Group (WILEAG) after an onsite inspection from March of 2018. We are one of only 42 cities and counties accredited in the state by the WILEAG out of 529 total law enforcement agencies. We also added body worn cameras in 2018 for all officers to wear on duty. The cameras were purchased from Axon on a 5 year payment plan. These cameras are an integral part of our law enforcement mission and we are happy to have this technology available for our use. Our budget was \$1,492,131 for 2019 and we came in under budget at the end of the fiscal year. We instituted a police bicycle patrol program in 2019 which enhanced our profile in the parks and residential areas of the village. We also instituted a police physical fitness and wellness program in late 2019 which will provide Officers and all village employees with access to exercise equipment, an Employee Assistance Program, fitness trainer and a dietician to enhance employee well-being and their ability to better serve our community. Please enjoy reading our 2019 department report and feel free to contact me at the police department with any questions or suggestions.

Daniel L. Layber, Chief of Police

MISSION STATEMENT

The members of the Cottage Police Department are dedicated to establishing and developing strong community partnerships, as well as, providing professional service to all in our community. We are an organization that seeks to enhance the quality of life of our community by actively seeking opportunities to work with our community partners in fighting crime and solving identified problems. Furthermore, we seek to prevent crime, reduce the fear of crime and improve the quality of life in our neighborhoods through proactive programming.

Our officers respond to an average of approximately 1045 documented calls for service a month, or an average of 35 calls for service a day. Fewer than 2% of those calls for service result in a criminal arrest and fewer than 10% result in a citation being issued. These statistics reflect our organizational philosophy that emphasizes solving problems creatively, through citizen cooperation with a focus of improving the quality of life in Cottage Grove through voluntary compliance, rather than mere enforcement of the law. Our safety and success as a police department is largely contingent upon the cooperation we get from our citizens. Their support via established programs in 2019 includes social media programs and community outreach that represent a commitment to active citizen involvement that keeps Cottage Grove safe. It is through our partnership with those we serve that we will be able to continue to keep Cottage Grove safe. As we enter 2020, as Police Chief, I thank all of you for your support of our agency and its Mission, and ask you to remain an active partner with us in 2020 as we continue to live the mission of "Keeping Cottage Grove Safe."

Crime in Cottage Grove

The following charts detail the crimes that were committed in the Village of Cottage Grove in 2019 as reported by our agency to the Wisconsin Uniform Crime Reporting (UCR) data submission website run by the Wisconsin and U.S. Departments of Justice. UCR reporting is done by law enforcement agencies across the United States so that there is a uniform method of reporting crime for all. Arrests are reported along with crime clearances for the reported crimes. The Village of Cottage Grove has a **low crime rate** and a very **high clearance rate** when comparing state and national averages. When combining violent and property crimes together for cities over 4000 population in the state of Wisconsin, we are one of the **top 20 safest cities in the state coming in at 16th safest**. We are the 2nd safest city in Dane County, trailing only Cross Plains. The police department is very proud of this ranking, however, we do not take complete credit for this accomplishment. Our community remains at a comparatively low rate year after year, but we would like to think that our crime prevention strategies, community outreach, investigative efforts and patrol strategies have been instrumental in helping with these impressive low rates of crime. Our citizens and businesses are great partners in the fight against crime and together we share credit for making the Village safe for all.

The violent crime rate for Wisconsin is 3 per 1000 residents. The national average is 3.7 per 1000. In Cottage Grove, our violent crime rate is 0.9 per 1000 residents.

The property crime rate in Wisconsin is 15.6 per 1000 residents. The national average is 22 per 1000 residents. In Cottage Grove our property crime rate is 3.0 per 1000 residents. The national solve rate for violent crimes is 46%, and 18% for property crimes. The CGPD solves violent crimes at 96 %, and property crimes at 55%. The crimes are grouped according to *Crimes Against Persons*, *Crimes Against Property* and *Crimes Against Society*. These categories were developed by the US Department of Justice. Crimes against society are the supposed 'victimless' crimes because nobody was assaulted or had their property stolen. At the end of the UCR data tables you will see a graph showing crime in Cottage Grove for the past 3 years.

ACCREDITATION

Many have heard the term accreditation, but few fully understand its relationship to modern law enforcement. The basic principle of all accreditation processes, regardless of their field of governance, is for an independent body to establish a set of standards by which the operations of entities can be evaluated. The Wisconsin Law Enforcement Accreditation Group (WILEAG) has become this independent evaluating body for Law Enforcement agencies in the State of Wisconsin.

The WILEAG governing board established its first set of standards in 1995. In 2017, WILEAG published its Fifth Edition which consists of 242 standards that contain 602 separate dimensions. These standards are specifically tailored to address the needs and capabilities of Wisconsin Law Enforcement Agencies.

To become an accredited agency, or to maintain your accredited status, a Police Department must review and update each of its policies and operating procedures, making certain that they comply with WILEAG standards, every three years. Agencies must also collect "proofs" that document their compliance with every standard and dimension annually. Every third year a team of WILEAG evaluators conduct on site assessments of each agency seeking accreditation. During these assessments, the evaluators examine both the agencies policies and proofs, making certain they comply with each of the established standards. These on-site evaluations generally take three full days and they include facility inspections and public input hearings.

In March of 2018 the Cottage Grove Police Department went through its first on site assessment. The team of three independent evaluators found the Cottage Grove Police Department to be in full compliance with all relevant WILEAG standards. On May 11, 2018, the Governing Board of the Wisconsin Law Enforcement Accreditation Group awarded the Cottage Grove Police Department with a Certificate of Accreditation.

Lt. Matthew Wagner oversees the accreditation process for the Cottage Grove Police Department as the department Accreditation Manager, but the accreditation process is an agency wide project and accomplishment. In 2021 we will need to go through re-accreditation which will require us to show for the past 3 years that we have been conforming to all standards.

In these challenging times for law enforcement agencies around the nation, the Cottage Grove Police Department will continue to utilize the WILEAG accreditation process to conduct ongoing self-evaluation to maintain the highest quality standards in our operations.

Detective Anderson investigated numerous major cases this year, in which some to note are included below:

MISSING PERSON/DEATH INVESTIGATION CASE-KURT MEYER:

In January of 2019 Detective Anderson was asked to assist and take lead on a missing person complaint. After working numerous hours throughout the day, Detective Anderson reached out to the Wisconsin Department of Justice-Division of Criminal Investigation major crimes unit to assist with the case. Detective Anderson worked with probation and parole to start searching for evidence of Meyer's disappearance. Detective Anderson initially requested bank records, cellular phone companies, and social media to retrieve a timeline of Meyer's activities. Detective Anderson interviewed numerous subjects during this investigation. Meyer was later located deceased in the Village of Marshall. At this time the Wisconsin Division of Criminal Investigation (DCI) took lead on this case, due to jurisdiction. Detective Anderson was

asked by the Special Agent that would now lead the investigation with DCI to continue and assist with the case. Numerous hours around the clock were spent on this case.

DEATH INVESTIGATION:

In September of 2018 an adult female was located deceased at her residence in Cottage Grove. After numerous hours of investigation, a suspect was identified in connection to her death. In February of 2019 Detective Anderson worked alongside DCI a drug investigation also involving the suspect. The suspect was eventually arrested for Maintaining a drug dwelling, and Possession of Heroin. This suspect was also then later charged by the Dane County District Attorney's Office with 1st degree reckless homicide.

Detective Anderson worked numerous hours conducting surveillance, and other investigative techniques. Detective Anderson later had a search warrant signed by a Dane County Judge, and was then executed in the Village of Cottage Grove. Jimmy Nicholson was the suspect in this case, and was later arrested during the search warrant and later charged for Possession with intent to deliver, and maintaining a drug dwelling.

ADRIAN GARDINER CASE: (FEDERAL CASE)

In July of 2019 Detective Anderson was asked to take lead on a child sexual assault case. Detective Anderson worked numerous hours on this case, and was also called off duty to come in and assist with the case. This case involved a joint investigation with the Wisconsin Division of Criminal Investigation and Indiana State Police. A suspect was later identified as Adrian Gardiner from the State of Indiana. 41 year old Adrian Gardiner was later arrested. Detective Anderson and Special Agent Ryan Condon went to Indiana to interview the suspect, in which later received a confession. Gardiner was later indicted on 4 Federal Charges that included Child Pornography and Child Enticement.

THREATS TO SCHOOL:

In October of 2019 Detective Anderson was contacted off duty two separate times to come in and assist with a threats to school incident. Detective Anderson was asked to assist School Resource Officer with these cases. After numerous hours of investigation, two juveniles were eventually arrested in connection to the threats. Detective Anderson assisted with interviewing, and drafting search warrants for both cases.

ASSIST MINNEAPOLIS POLICE:

In December of 2019, Detective Anderson was asked to assist Minneapolis Police Detectives with an invasion of privacy case that occurred in Minneapolis, Minnesota. Detective Anderson and DCI met and briefed with Minneapolis Police. Detective Anderson assisted in drafting a search warrant for Minneapolis Police and was later executed on a suspect and suspect residence in the Village of Cottage Grove. Detective Anderson and DCI will continue to investigate this case. DCI has asked Detective Anderson to assist on historical cases that have involved the suspect. This case still remains under investigation.

We are also members of the Cottage Grove TRIAD, which is a partnership between law enforcement and seniors in the Cottage Grove area. Police personnel attend regular meetings and participate in winter driving inspections of vehicles, presentations on issues importance to seniors such as scams and frauds, and helping to keep the seniors in our community up to date on many issues that may affect them. We have a Cottage Grove police officer on the state board of the TRIAD, which has greatly enhanced our contribution to the organization and provided us with more insight on issues facing our senior citizens.

DOMESTIC ABUSE

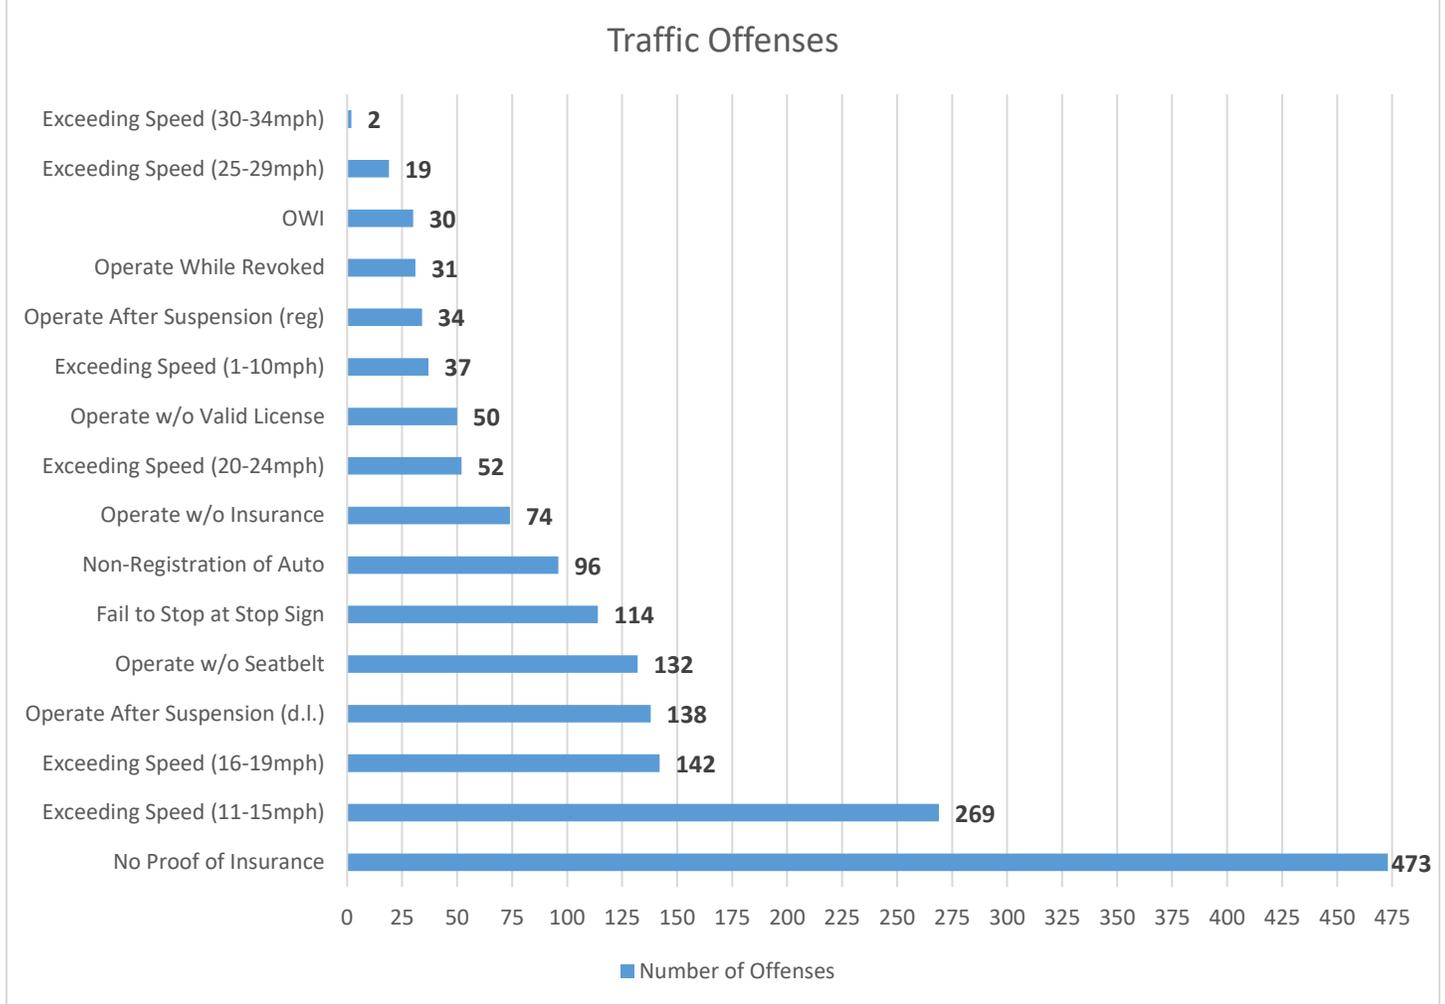

In 2019 we had 38 calls for domestic abuse, 43 calls for service in 2018, and 38 domestic abuse cases in 2017. The police department is proactive in this area by responding to residences when a possible conflict may occur (exchange of property) and standing by to preserve the peace, which happened 17 times in 2019. Pursuant to the State of Wisconsin mandatory arrest law, many of these incidents resulted in criminal arrests, which account for 1/3 of all criminal referrals to the Dane County District Attorney's Office. In an effort to prevent future domestic violence incidents from our community, officers actively communicate regional resource availability, such as the private, non-profit, Domestic Abuse Intervention Services (DAIS), which provides crisis intervention and community education and prevention programs, the Dane County District Attorney's Office Domestic Violence Unit, and the YWCA of Dane County to all victims of domestic violence incidents. We also educate victims on the availability of obtaining temporary restraining orders and their victim rights. Numerous members of the Cottage Grove Police Department have attended training offered by the Dane County District Attorney's Office/Domestic Violence Unit and the Dane County Sheriff's Office. The police department will be implementing a Domestic Police Officer program in 2020 to coordinate our efforts with the domestic violence providers in the county. We will receive extra training and will provide intensified services to the victims of domestic violence with the goals being a reduction in violence and a decrease in recidivism.

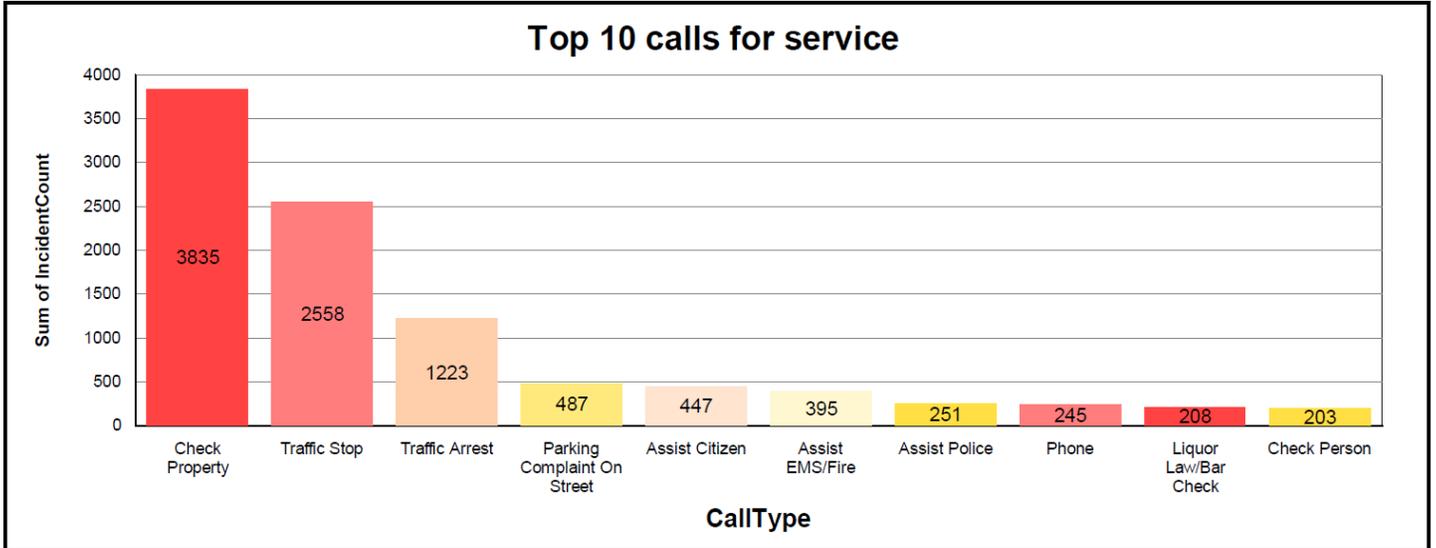

MEDICAL ASSISTANCE

Our officers responded to 395 calls to assist our citizens with medical issues in 2019 (457 in 2018). We assist Deer Grove EMS with their patients, sometimes arriving before the EMS personnel do. It is extremely important to have officers on scene so fast to administer basic first aid, comfort the patient, assist the EMS personnel, administer Narcan and provide basic life saving techniques. We have equipped all officers with tourniquets for their own personal use and to stop the bleeding when a citizen may be in need. The Deer Grove EMS provides annual training to us in basic first aid and we try to stay up to date with the best practices for first responder first aid. All police squads have AEDs and Narcan for heart attacks and opiate overdoses. We upgrade our AEDs as often as possible to provide the best care for our citizens.

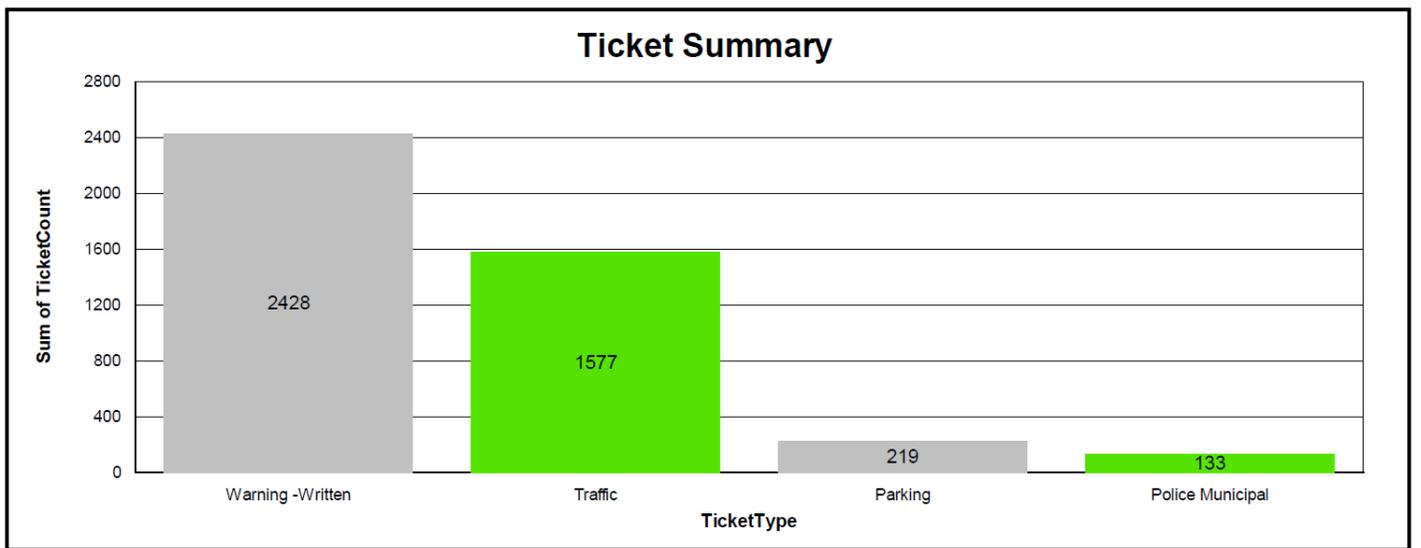

TRAFFIC & PARKING ENFORCEMENT

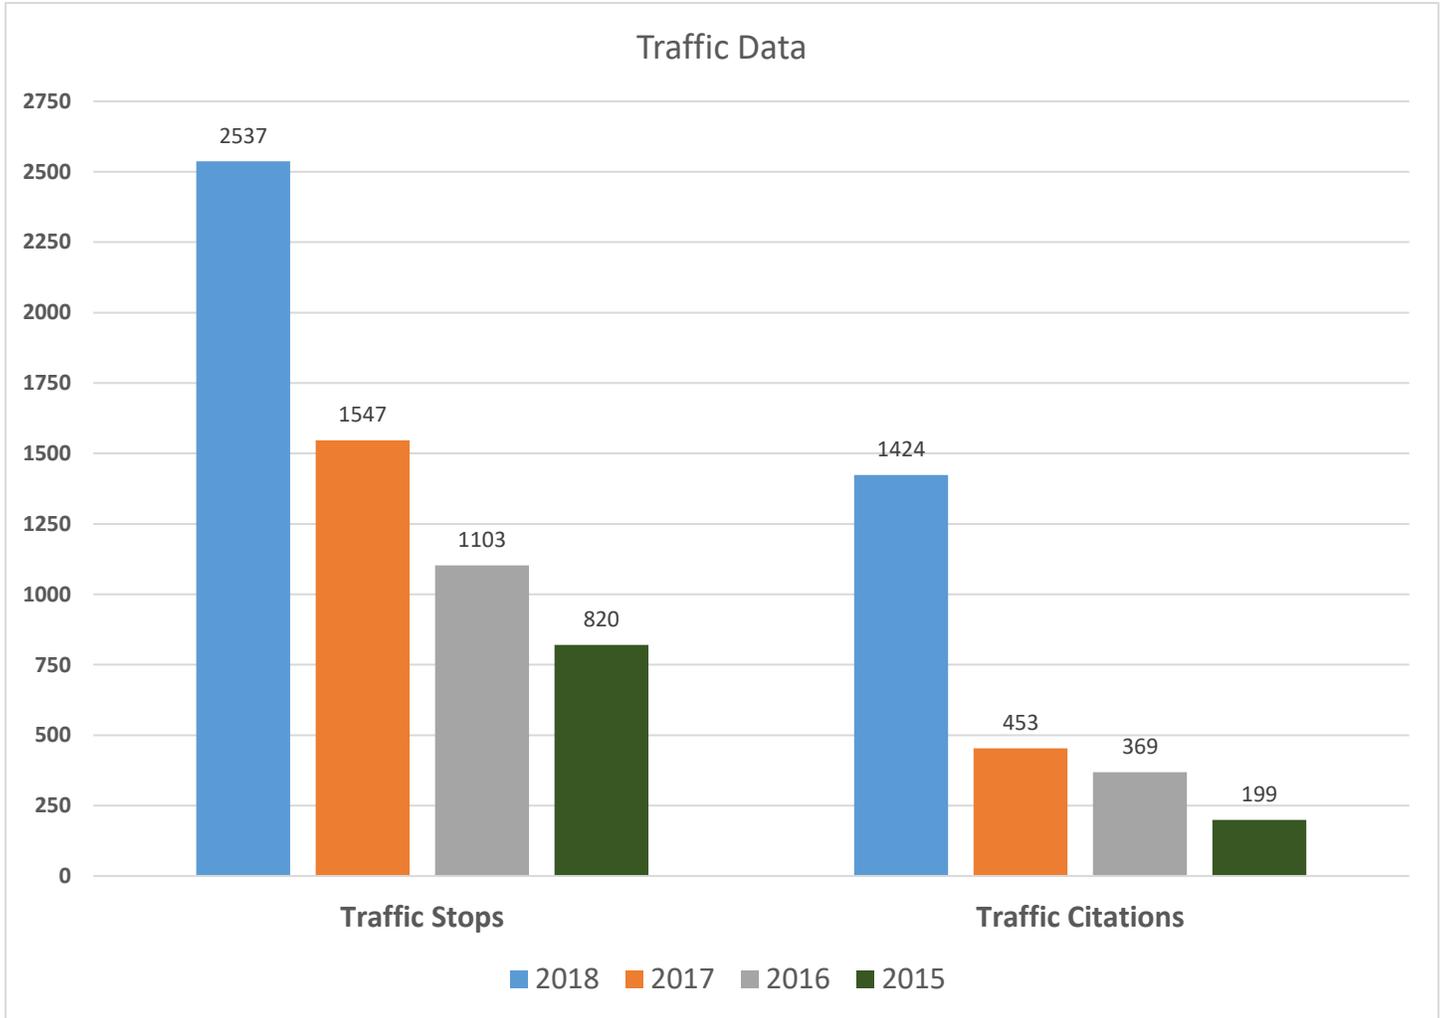

One of our primary objectives at the Cottage Grove Police Department is to keep our streets safe for pedestrian, bicycle and vehicular travel. This objective is accomplished through proactive patrol and traffic enforcement that is aimed at keeping our streets safe. We don't always issue citations at every traffic stop. Some traffic stops result in warnings, and some in citations, or a combination of both. In 2019 we had 2558 traffic stops that resulted in 1223 citations. We also issued 2428 written warnings. The chart below highlights the most frequent, and some of the most serious offenses we cited drivers for in 2019. The next chart compares traffic enforcement efforts and results with previous years. We also issued 219 parking tickets in 2019. Most were during the Winter as we try to keep the streets clear for plowing operations.

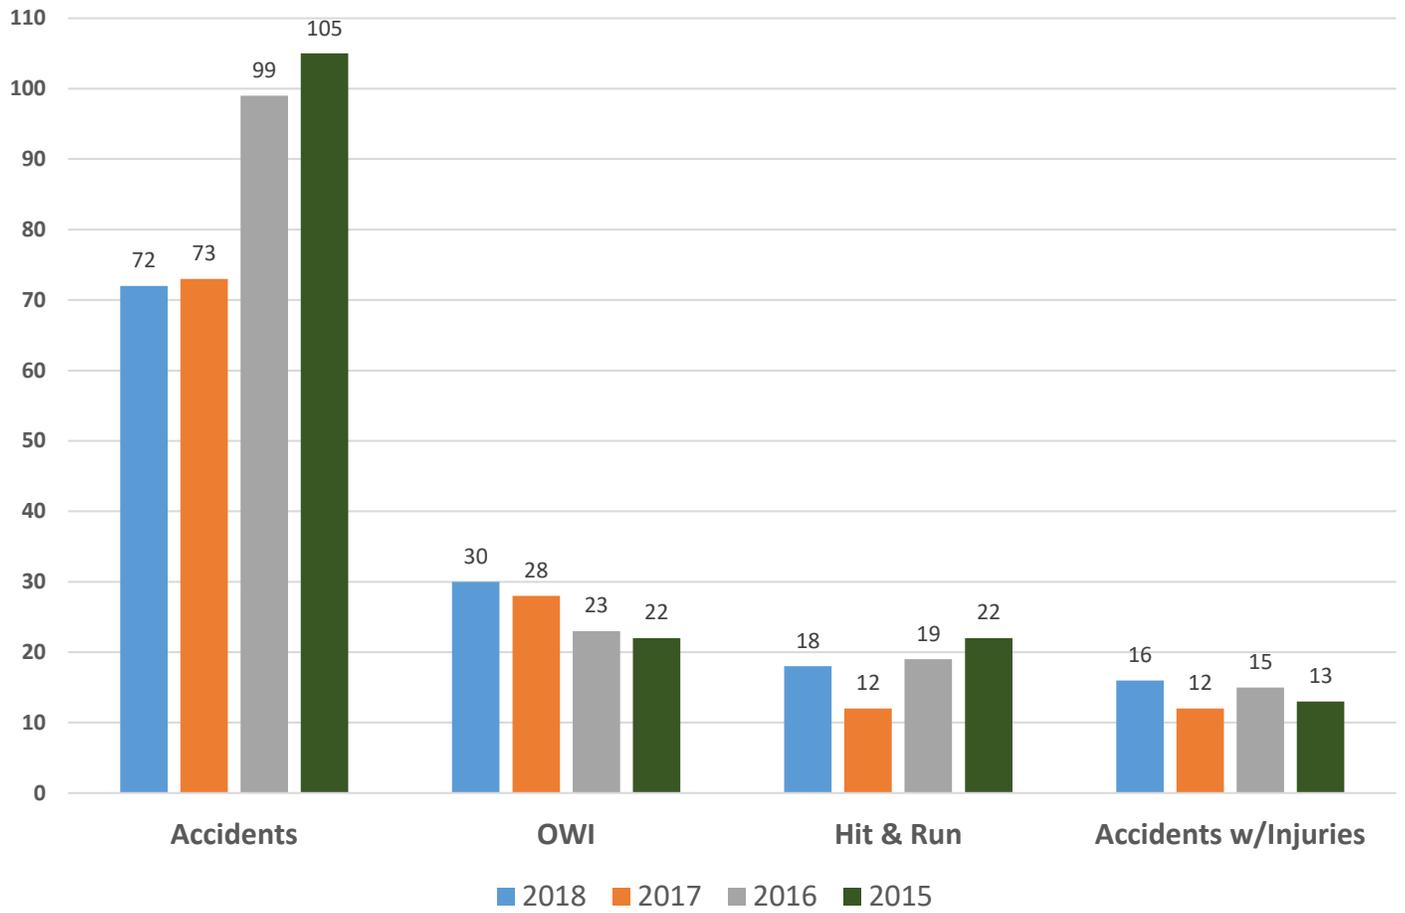

2019 Ticket Summary
From 1/1/2019 through 12/31/2019

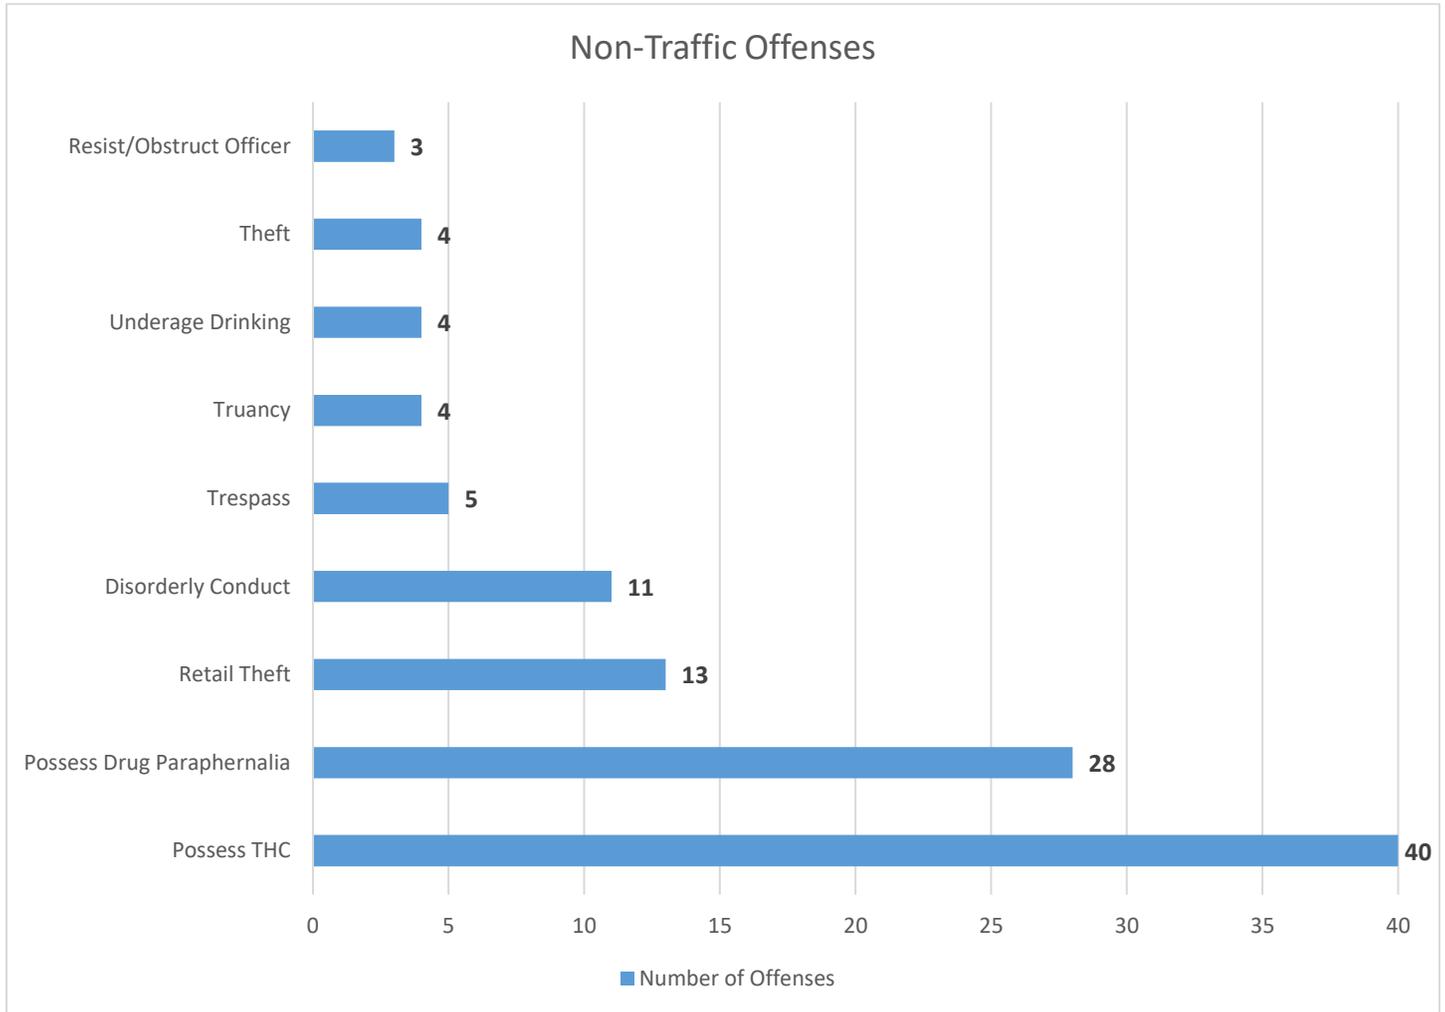

Traffic Data

Non-Traffic Ordinance Violations

We issued 133 municipal citations (non-traffic) in 2019.

The most 4 most frequently issued types of non-traffic related ordinance citations in 2018 were for Possession of Marijuana; Possession of Drug Paraphernalia; Retail Theft; and Disorderly Conduct. These offenses are not considered crimes because we issue them through the Cottage Grove Municipal Court making them forfeitures only.

SCHOOL RESOURCE OFFICER

Officer Helgeland is our SRO for the Cottage Grove schools. She was a volunteer for this position and she has performed admirably so far. She serves all three Cottage Grove schools, but, is primarily providing services at Glacial Drumlin Middle School. She stays extremely busy and has numerous interactions with students daily, and is truly having an impact on these young people. The role of a SRO is providing safe learning environments in our schools, providing valuable resources to school staff members, fostering positive relationships with youth, developing strategies to resolve problems affecting youth and protecting all students, so that they can reach their fullest potential. A SRO is not only a police officer, they are educators and informal counselors/mentors. Officer Helgeland has taught personal safety and internet safety in the 6th grade health classes. She has taught the children how to be safe when they are home alone, when confronted by a stranger, or other dangers that threaten their safety. Internet safety presentations in regard to inappropriate content and sexting dangers has been a big emphasis for Officer Helgeland as this area has been a huge problem across the country and in our middle school. In October of 2019 Officer Jessica Helgeland was recognized as the first responder of the year for the 46th assembly district. Officer Helgeland along with other first responders in the state were recognized for outstanding service to their communities. Thank you to State Representative Gary Hebl for recognizing Officer Helgeland

PROACTIVE PROGRAMMING

Neighborhood Watch: A Village wide effort is being made to engage more citizens in neighborhood watch efforts. When crimes occur in the Village, we communicate directly with residents by canvassing the neighborhood and making contact with as many victims as possible, and to warn others in the neighborhood about the crimes being committed in their area and what to look for to help the police catch these violators. We also post the crime issue to the department Facebook page, the Village website, the local newspaper and the Cottage Grove Crime Watch website. We receive many tips about these crimes and the feedback we receive from citizens has been very positive when we take the time to educate them about what is occurring in their community.

ALICE training, Building Security Assessments

ALICE Training has a solution for your organization. ... **ALICE** (Alert, Lockdown, Inform, Counter, Evacuate) **Training** instructor led classes provide preparation and a plan for individuals and organizations on how to more proactively handle the **threat** of an aggressive intruder or **active shooter** event. The Cottage Grove Police Department has a certified instructor in this discipline and has provided the training to all of the Cottage Grove Schools along with numerous businesses and groups. We have also provided security assessments to businesses so that they know where their strengths and weaknesses are at. They are provided with a personalized report to use as they see fit.

Caught Wearing a Helmet: We reward children for wearing their helmets when riding their bikes by giving them coupons from various businesses in the community when our officers participate in ‘Caught Wearing a Helmet.’ This program allows officers on patrol to make contact with children they see on the street wearing their helmets by immediately giving them a coupon for a sport drink, a donut, a bottle of water, an ice cream cone and other items of interest to the children. This greatly encourages the children to wear their helmets and gives our community a chance to get to know our officers in a non-threatening environment. Many children now look for our officers in the warmer months to patrol through their neighborhood in anticipation of receiving one of these coupons. We also hand out water bottles, pencils, key chains, chip clips and other novelty items to children and adults at community outreach events with safety tips thereon.

Cottage Grove Police Department Special Needs Awareness Program: As part of our desire to provide the very best police services to our residents, the Cottage Grove Police Department is seeking to enhance its base of knowledge and awareness of the special needs children and adults in our community. As a police department, we regularly have contact

with children and adults who have a variety of special needs. While in many instances, we are aware of the individual needs of a particular person with whom we are in contact and how to best help them during a stressful event, at other times we are not familiar with an individual and this can cause difficulty in determining how to best help them. The goal of this program is to coordinate with family members in gaining the valuable knowledge that will help prepare us to assist an individual in need. We encourage the parents and caretakers of special needs children and adults to participate in the program. To find out more about and/or participate in the program, click on the link below to download the Emergency Profile Information Sheet below, fill it out and mail, drop off or email to Officer Jessica Helgeland.

Vehicle Lockouts: We are one of a few remaining police departments that will open a vehicle that has been locked with the keys inside. We provide this as a service to our community members for free and we have received much praise for providing this service. We respond quickly and only ask that the citizen sign a waiver that holds us harmless for any damage caused by attempting to unlock their vehicle.

The Cottage Grove Coalition Cares organization is made up of law enforcement (CGPD), community members, educators, parents, drug treatment and awareness groups, and other volunteers interested in teaching drug and alcohol abuse prevention to our community and especially our school aged children and young adults. We host drug take back days twice per year at Forward Pharmacy in Cottage Grove and also present seminars to educate the public about the abuse of drugs and alcohol.

Improved Communication through Technology:

Facebook: The police department Facebook site has greatly enhanced our communication with the community in this age of the internet being used by so many. The Cottage Grove Police Department currently has 2554 friends that follow our Facebook page. Many of our press releases are posted on the Village website so that a larger audience can be reached. A link to the Chief of Police's e-mail account is available via the Village of Cottage Grove website so that citizens may contact the department via e-mail to receive updates on cases or reports. Citizens can also submit a crime tip for cash to the Madison Area Crime Stoppers (of which Cottage Grove is a part of) on our website. The Cottage Grove Police Department is also fortunate to have a strong relationship with our community's newspaper, the Herald Independent, in that periodic police related news releases and Facebook posts communicate areas of public safety concern in our community.

Nextdoor: The police department is now a full member of Nextdoor and we are currently sharing and receiving information from the almost 1,601 households in 8 neighborhoods who belong to Nextdoor. Nextdoor allows communities to easily create private websites to facilitate communication among neighbors and build stronger neighborhoods. Residents can exchange information about crime and safety issues. We monitor the 8 neighborhood sites and exchange information with concerned neighbors. We sometimes become aware of issues that were not reported to us and residents get information from us they might otherwise not know about. The following are some of the benefits to having the Cottage Grove Police Department on Nextdoor:

1. Residents get to know local police officers or government representatives
2. Stay in the loop about Crime & Safety issues
3. Be invited to upcoming events, like town halls and "Coffee with a Cop"
4. Organize disaster plans as a community

5. Voice your concerns to government representative
6. Provide feedback on government initiatives

The Cottage Grove Police Department can post messages, polls, or urgent alerts to the neighborhoods in their service area where the information would be relevant. Community members, can thank their posts, reply to them, or send a local official a private message. The private message feature has been an efficient method of talking with people about sensitive matters. Again, we encourage people to call us whenever they have a concern, that is what we are here for!

Ring Doorbell Neighbor App: The police department is a member of the Neighborhood app which allows us to share crime information with fellow members and to share videos of events. This is especially helpful when a crime has occurred in our village. The police department sends out a video request for a certain geographic area, date and time. Homeowners with Ring doorbells, and others who have signed up for this app, can share the videos with us if they choose to. We then examine the videos and use them to help solve crimes.

Crime Prevention: The mission of the Cottage Grove Police Department includes crime prevention among its areas of greatest concern. The department is committed to the development and fostering of community based crime prevention efforts. We have a crime prevention coordinator for the department and have developed an associated policy. Specific crime prevention efforts include; Preserve the Peace, in which the police department stands by when a situation may need a police presence to keep the situation from getting out of hand and becoming a crime, vacation checks for our citizens that are out of town, Operation I.D., Crime Stoppers, Safe Night Out, and safety education presentations, such as bicycle helmet awareness, anti-bullying, underage drinking, updates on laws concerning driving, texting, cell phones, and safe use of computers.

The image shows a well-stocked food pantry with shelves filled with various food items, including boxes of Stove Top gravy, bags of oven fry, and various canned goods.

Cottage Grove Food pantry donation program in lieu of paying a parking ticket was launched in December of 2019. Anyone receiving a parking ticket could donate 5 food items to the pantry and have

their parking ticket dismissed. Many took advantage of this program and we delivered 5 car-loads of food to the pantry in 2019 and early 2020.

EMPLOYEE TRAINING: Professional Growth and Development

The Cottage Grove Police Department is committed to providing training to its employees so that they maintain their proficiency and learn advanced skills that will advance their knowledge base, and improve our police services to the community. Officers are required to receive a bare minimum of 24 hours of training annually to maintain their state law enforcement certifications. In 2018, the department provided 222 hours of training to its officers and supplemented it with over 320 hours of advanced training. That training included mandatory firearms qualification, pursuit training/emergency vehicle operations, and TASER deployment. Officers also received training from the department and outside experts, in less lethal training, vehicle contacts, defense and arrest tactics, room clearing, legal updates, policy and procedure updates, computer and technology updates, dementia recognition and interaction, major case investigation and force transition training. Other specialized training included topics such as interview and interrogation, crisis intervention training, active shooter training, homicide investigation, white collar crime investigation, instructor development, first aid and CPR, diversity training, and de-escalation of dangerous situations. The K9 team participated in 90 hours of training to build up their skills and to maintain proficiency. This does not include the many hours the team must train to maintain their skills on a daily basis.
