5. Discuss and Consider The Hiring Process For A New Officer

-A current officer has pursued a position with the Dane County Sheriff's Office, and Chief Layber wanted to proceed with a hiring process to be prepared in the event a vacancy occurs.

-The Commission approved the job description for the position.

-Chief Layber has received roughly 25 applications already and the deadline for application is 2/26/2021.

-The Commission supports the Chief in screening applications according to the job posting and confirming with Village administration that an in-person written exam can be performed on Village property. The Chief estimates the cost of advertising the position and buying 30 written exams will cost \$800-\$1000 and will confirm there is Police Commission budget to support this activity. Exam dates are likely to be in mid-March.

-In-person testing was specifically recommended and supported by the Commission to draw the best candidate pool. Accommodations for medical reasons will be considered given the current COVID-19 environment.

-Applicants who pass the written exam will be considered for oral interviews with the Police Commission, tentatively scheduled for March 24. The Chief would like 8-10 candidates certified by the Commission so that there is a sufficient pool to draw from, especially if an additional officer is approved in future budgets.

Next meeting date is tentatively set for Wednesday, March 24, 2021 at 5:30 p.m.
