2021 Financing Plan

- Capital needs in 2021 include: \$2.57 million to fund capital for Glacial Drumlin and BB/Buss Urbanization with expected grant revenue reimbursements of \$1.9 million in 2022.
- Additional needs: \$1,050,000 in taxable refunding bonds to restructure TID #5 balloon payment.
- We propose a 2021 State Trust Fund Loan (which does not require a taxable/tax-exempt designation) to cover total capital needs (\$3.62 million).
- In 2022, we would look to refund the non-TID #5 portion minus the grant reimbursements.
