

**VILLAGE OF COTTAGE GROVE
APPLICATION FOR ZERO LOT LINE**

APPLICANT NAME: Ronald Grossa, member GIP-GMB LLC
ADDRESS OF APPLICANT: 400 West Oak St Cottage Grove WI 53527
TELEPHONE NUMBER: 608-577-0779 **FAX:** 608-839-3114
EMAIL ADDRESS: grossaproperties@gmail.com

ADDRESS OF SUBJECT PROPERTY:

ZONING OF PROPERTY: 509-511 Progress

PROVIDE THE FOLLOWING ITEMS:

- 1.) Letter from licensed plumber indicating whether each unit is served by separate sanitary sewer laterals to the main.
- 2.) Letter from licensed plumber indicating each unit is served with separate water laterals and curb stop valves for each accessible from outside the building.
- 3.) Certified Survey Map reflecting the proposed lot line, the location of the sanitary sewer and water laterals and water curb stop valves servicing each unit. The map must show the location of the adjacent public right-of-way. The map must be signed by a licensed surveyor.
- 4.) A copy of a Zero Lot Line Maintenance Agreement signed by all owners of the property. Upon approval of the zero lot line application, the applicant shall file the Zero Lot Line Maintenance Agreement at the Dane County Register of Deeds. The applicant shall provide the Village with a filed copy within 30 days of approval of the application. If the letter from the licensed plumber under #1 above indicates that each unit is not served by separate sewer laterals to the main, then the Zero Lot Line Maintenance Agreement must include provisions addressing sewer lateral maintenance and repair, including emergency provisions.

Note: Attached is an example of a Zero Lot Line Maintenance Agreement. The Village is not recommending the use of the attached example agreement for any particular property but the applicant may find the example agreement useful in identifying the types of questions typically addressed in such an agreement. The Village recommends that the applicant seek advice of legal counsel regarding a Zero Lot Line Maintenance Agreement.

- 5.) If the water curb stop valve for any proposed parcel is not located within the public right-of-way, the applicant must execute the attached Curb Stop Valve Access Agreement with the Village for each curb stop not located in the public right-of-way. The Village shall record the Access Agreement with the Dane County Register of Deeds, and the Applicant shall pay all recording costs.
- 6.) Review by Utility Commission of the certified survey map depicting the sanitary sewer and water laterals and separate curb stop valves.
- 7.) The Village Plan Commission and Village Board will review all zero lot line applications. The Village Plan Commission and Village Board may approve the zero lot line application if they find, in their sole discretion, that the Village can adequately control water service to the property and the applicant has satisfied all requirements of this application.
- 8.) Fee of \$50 per parcel created plus any recording costs.

Mail or deliver the completed application form along with the certified survey map, letters from a licensed plumber, Curb Stop Valve Access Agreement (if applicable), and fee to the Village of Cottage Grove.
