❖ On a daily basis I complete evidence intake which includes checking in evidence through LERMS system, making sure the packaging is correct, and placed in the correct area. Review any Patrol Officers reports that are being sent to the DA office for review, court officer duties which include making sure intake sheets are filled out correct and sent, sign complaints, and also bring up juvenile referrals to the DA Office, and sign petitions when needed. I also review Patrol logs, respond to any emails, check Planit information, and dictate and review reports of my own. I assist front clerical staff with any questions, walk –in's, or issues they may have. Also assist with any computer issues where computer magic is contacted. I burn videos and save into evidence requested by Patrol Officers. I also keep in contact with DA office on cases I am currently working, social network with other Detectives, and submit evidence to the crime lab.
