Village of CG

Apparatus Info: Tender 2 light replacement is complete. Ladder 1 needs a new hydraulic valve for the aerial device. The repair will be completed this week. Engine 3 had a small water leak which was repaired.

Equipment Info: Annual fire hose testing has been completed.

Training Information: Training for April was wildland fire burns. Training for May was electrical and natural gas emergency responses. The entire department visited the solar farm in the Town to learn about the hazards associated and reviewed pre-plan and response operations.

Emergency
911
