

Director's Monthly Report to the Parks, Recreation & Forestry Committee

March 26, 2026

Registrations

Registration continues to flow in for Spring/Summer programming. Summer camp – 1st session filled within minutes, waiting list is currently up to 35 kids. Full summer registration is at 30/40 kids. A lead instructor is hired. Inga and Trista are building a work plan, online training modules are for all staff to complete, and they will take part in [WPRA Summer Camp Training](#) in New Berlin again on May 30th.

Softball registrations continue to come in. Teams will be created by the 1st week of April.

Shelter Reservations

Park rentals continue to filter in, and we have begun communicating the project details on social media for the playground/Miracle League project.

Hiring

All summer positions have been posted. We will continue to market. We need a morning fitness instructor (strength-based) experience would be preferred. We could be back operating 4/5 days a week if we find someone. Also looking to fill summer parks maintenance positions.

Parks

Parks maintenance has been busy with snow removal damage in parks, updating and repairing picnic tables and of recent, snow removal.
