Department of Public Works  
Director's Monthly Report to the Utility Commission  
April 14<sup>th</sup>, 2021

## **Well 2 maintenance**

- Plan to update the specs and get bidding documents prepared to pull, inspect and maintain Well #2 later this summer.
- Can be very flexible with timing, only limits are during flushing in spring & fall.

## **AMI cost reporting**

- Submitted final costs to the PSC docket.
- Reached out & as of this writing, still waiting to hear from PSC if project can be considered closed.

## **Spring Flushing**

- Flushing will begin in mid-April and continue into early May.

## **Additional Utility position**

- Position was posted widely, and application deadline extended through April 2<sup>nd</sup>.
- Only received one applicant; plan to re-evaluate the position description and reach out to area communities for comps.
