TO:	Village Board of Trustees
FROM:	JJ Larson – Village Director of Public Works & Utilities
RE:	Recommendation of award – Glacial Drumlin Trail Extension Project

BACKGROUND

The Glacial Drumlin Bike Path project will complete the Village's portion of the planned connection between the Village and Madison from the Glacial Drumlin trailhead west down Clark St. and through Bakken park to Vilas Rd. The Village was awarded TAP grant funding for the project.

OVERVIEW

The Village received bids from four qualified contractors, with RG Huston being the lowest bidder at \$549,295.57.

RECOMMENDATION

Recommend approval of awarding the contract for the Glacial Drumlin Trail Extension Project to RG Huston in the amount of \$549,295.57 subject to WisDOT approval.
