RE:	Change in Title from Treasurer to Finance Director

OVERVIEW

The Village will soon have a vacancy at the Treasurer position due to a resignation set to take effect June 10th. Based on abundant feedback from my Municipal Management colleagues and recruitment consultants, there has been an industry shift away from the Treasurer title. The more frequently used title in recent years for many cities and villages is Finance Director. Making this change in job title is one easy way to better position the Village to attract more candidates to the role.

RECOMMENDATION

Staff recommends approval of a change in job title from Treasurer to Finance Director, with the change going in effect upon public job posting.
