<p>Background (related experiences, skills or qualifications):</p> <p>I work for a Fortune 500 company that has a strong DEI program that I've been involved with. My background is in designing and leading significant programs and those skills are very applicable to this committee. Additionally, in terms of life experience, I live in a predominately female household that is multi-ethnic.</p>

<p>Why you are interested in this committee(s):</p> <p>Diversity and inclusion is critical to our future as a community and as a nation. I feel strongly about creating a community where all people feel welcome. However, I have seen firsthand the pitfalls when DEI initiatives are rolled out at the exclusion of other groups. My goal is to bring as many people to the table as possible and create a community that is truly inclusive of all people and groups.</p>
