

Village of Cottage Grove Unwarranted Stop Sign Removal Plan

Unwarranted traffic control measures lead to dangerous conditions for all roadway users, particularly unwarranted stop signs. The Village is beginning the process to safely remove some of the most egregious stop signs placed throughout the community over the years. The locations are:

Killian Trl. @ Donegal Dr.
Manley Ln. @ Cork Crossing
Landmark Dr. @ Michelle Ln.

Signage will be installed (pictured below), notifying motorists and pedestrians of the date when the sign is scheduled for removal. Once the notification period ends and the unwarranted signs are removed, additional signage will be installed on the intersecting street notifying users that "Cross Traffic Does Not Stop." These signs will remain until such time that road users no longer require the extra notification.

Please see the map and Fact Sheet for more information on the justification behind the project.

If you have any questions, please contact the Public Works office at 608-839-5813.
